San Ygnacio Ranch Buildings (Trevino House) (TEX-3112)

Structure

Uribe and Trevino Sts. (Business Route U.S. 83) Adobe plastered sandstone, 84' x 128', one story, ell-shaped, walled courtyard complex, with rooms along the north and west sides, single slope roofs originally of native concrete or "Chipichil," over wood beams with ornamental brackets. An unusual sundial is above the only exterior entrance to the courtyard on the north facade. The architect and builder was Jesus Trevino and portions

Form 10-444 (2/62)
